

## Scheduling a College Visit

**Juniors and Seniors are able to take 2 college visit days each year.**

To go on a visit:

- \* Call the college admissions office and set up an appointment.
- \* Bring a note from a parent **at least 2 days in advance**, requesting to be excused from school. Remember to **bring this note to the counselor's office**, not the principal's office.
- \* Get a blue pass from the counselor's office and take it to your teachers to get your work.
